IV- APPLICATION REVIEW INFORMATION

A- Selection Criteria

Eligible applications submitted under this opportunity will be evaluated and rated on the basis of the criteria detailed below. The criteria are designed to assess the quality of the proposed project plan/approach, and to determine the likelihood of its success. The criteria are closely related and are considered as a whole in judging the overall quality of an application. Applications will be reviewed on the basis of their fullness, coherence, clarity, and attention to detail. Proposals will be selected for funding based on an evaluation of how the proposal meets the solicitation review criteria, U.S. foreign policy objectives, and the priority needs of the Embassy. Past performance on grants awarded by the U.S. Department of State, other United States government entities, or international donor agencies may also be considered. The Embassy reviews all proposals for eligibility. Eligible proposals will be subject to compliance of federal regulations and guidelines and may also be reviewed by the Office of the Legal Adviser or by other Department elements.

Final technical authority for assistance awards resides with the Department's Grants Division. Selection criteria for this notice of funding opportunity will include:

B- Review and Selection Process

It may take up to 90 days from the application deadline before an award or decline notice is sent from the Embassy. Due to the volume of proposals received, individual responses to requests for updates prior to the 90-day timeframe may not be returned until final review and approval of proposals is completed. The U.S. Embassy Malabo utilizes the following review and selection process:

1. After the NOFO closes applications are reviewed for eligibility. Those applications found to be ineligible will be removed from the selection process. Those applications found to be eligible will be forwarded to an embassy review committee.

2. An embassy review committee, made up of various Embassy personnel, will score and comment on eligible proposals. The highest scoring proposal will be recommended for funding by the committee. If the funding opportunity allows for the selection of multiple awards, awards will be chosen based on rank score and the availability of funding.
3. The committee's recommendation is then forwarded to the Program Officer for review and approval. At this stage potential requests for programmatic adjustments or conditions of an award may be suggested.
4. Upon approval, the proposal is then assigned to a Grants Officer and Grants Officer Representative (GOR). The GOR will make contact with the applicant to discuss and negotiate any potential changes to the proposal.
5. The GOR may be required to submit the draft Notice of Award and grant proposal to a Washington, D.C. Grants Officer for approval. Additional clarification or negotiations may take place as part of the Grant Officer's review. The Grants Officer is the only Government Official who may write, award, and administer grants and cooperative agreements. No other individual throughout the selection process is allowed to commit funds or guarantee an award.
6. After approval from the Grants Officer, the GOR will provide a copy of the signed award and required documents to the applicant for countersignature.
7. After a grant award(s) is made from this solicitation, those applicants whose proposals were not selected for funding will be notified.

Anticipated Time to Award: Applicants should expect to be notified if their proposal has been selected for award within 90 days after the submission deadline. The Embassy will provide information at the point of notification about any modification to the proposal or plan of work that will be required to finalize the award.
